

MISSIONARIES UPDATES

APRIL 2024

This Sunday is MISSIONS SUNDAY!

Your prayerful and generous missions offering is deeply appreciated, and needed as we support our missionaries! Here are some updates from the missionaries you support!

Mark Flattery – (NETWORK 211) In Japan, Network211 is partnering with AGWM missionaries to meet individuals at their point of need, Share Christ, and connect them to a local church. Lord willing, we plan to target four cities in this great nation & connect people to upcoming AG church plants. Some say that the people of Japan are to entrench in their religion and that Christianity will not have a chance. We say that we must present the Truth of the Gospel and allow the Holy Spirit to transform Lives.

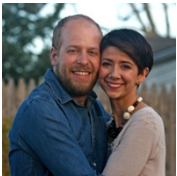

Troy & Lisa Tabor – (Cambodia) Last month we finally completed a process that has been more than six years in the making and finally were granted our new memorandum of Understanding (MOU). With the Ministry of Foreign Affairs, completing our renewed government approval process! This allows us to receive visas, continue to run schools and orphanages, and work with the local church to help build God's Kingdom in Cambodia. Payer request (1) Please pray for the work of the Cambodia Bible Institute as they train leaders for the church. (2) Pray for God's continued leading, direction, and anointing as we make plans for our new church planting team. (3) Praise God for giving us continued favor with the Cambodian Government.

Scott & Leah Schesser – (International Churches of Europe) We are almost halfway through our fifth term as missionaries, & our third term with AGWM! It has been an exciting twenty-two years, starting in New Jersey, then continuing to Japan & now in Europe! God has clearly brought us to this church in Germany & we expect God to do a great work. God has always been faithful to financially provide for us, mainly through you & other occasional gifts along the way. Thank you so much for your sacrificial giving.

Noah & Melanie Lane – (Oaxaca Mexico) It is March, and here in Oaxaca that means the start of the hot season! The rainy season last year wasn't that rainy, and the dry season started this past November which means that the sun shines really bright and hot during the day, and also that the city of Oaxaca is suffering greatly with a lack of water. As our region suffers & fights through these obstacles, would you pray that God uses us to be His soothing water to the people of Oaxaca? Would you pray for rain? Our God is God of the impossible "who sends rain on the righteous & the unrighteous"! This drought has really encouraged us to trust God with everything we need, and to be His hands & feet as we continue to serve the community here.

Tim O'Brien – (Vietnam) I stand amazed at what has happened in almost two years. The Lord led me out of Myanmar during the start of the civil war on a path that led me here to serve at Master's Cup Coffee House (now The Cup) in Ho Chi Minh, Vietnam. The Cup is a place people from all walks of life come to practice English with native speakers from USA and even from New Zealand. This includes learning about what we believe. People come searching for answers to many of life's issues.

Stephen & Sonia Wallace – (Finland) We know that God has good things on the horizon here in Finland and across Northern Europe. Without a doubt, God's forecast couldn't be brighter. So, let's embrace every season, looking to Jesus with expectant hearts. After all, if we look up, we'll see that the heavens are opening, the wind of the Spirit is moving. Please pray for our funding as our travel commitments have increased greatly since becoming Area Directors here in Northern Europe. (2) Pray for Sonia as she will be speaking at a women's conference in Wales and Iceland. Pray for Stephen as he also ministers in Finland and N. Europe. (3) Pray for new workers to come and serve in Northern Europe.
